HOW THE CELL PHONE ACCESS SYSTEM WORKS

- The cell phone number entered on the gate identifies the number received and opens accordingly
- Your Cell phone caller ID must be ON to prompt the gate system to open
- Although the system does not use your airtime, you must have airtime on your phone to activate the gate

DOs and DONTs

- DO NOT open for anyone but yourself this includes visitors and deliveries. (Only open for vehicles as listed above)
- Make sure that the gate closes after you.
- Any person guilty of opening for delivery vehicles or visitors will be removed permanently from using sliding gate access
- For the safety of the community please report a faulty gate on the Telegram Emergency Group.
